ERIC TELCHIN

Eric Telchin sold 107 homes in the Club at Ibis in 2021. Always striving to raise the bar for himself and his clients, Telchin's 2022 production is even higher, breaking sixteen all-time record prices in Ibis. Along with his husband and fellow REALTOR, Logan Nolting, the Telchins are known for incorporating their creativity into the staging, positioning and marketing of a home.

A thrice internationally published author with a marketing degree from the George Washington University, Eric developed cutting edge digital marketing for The Washington Post, ABC News, the New York Times, and sits on the Board of Directors for the Creative Center for Education.

Giving back, doing the right thing, and putting heart into his work are hallmarks of Telchin's work. As the leading brokerage in zip code 33412, Telchin and his team set their clients in Ibis, Bay Hill Estates, PGA National and other luxury communities up for the highest possible level of success.
